

PET EMERGENCY CHECKLIST: BE PREPARED FOR ANYTHING

From natural disasters to sudden illnesses, having a well-thought-out emergency plan can save your pet's life. Use this checklist to ensure you and your pets are ready to handle any emergency!

STEP 1: CONTACT INFORMATION AND MEDICAL RECORDS

Keep a list of emergency contacts readily accessible, including:

- Veterinarian's office number and after-hours emergency clinics
- Animal poison control hotline
- Nearby friends or family who can assist in an emergency

Maintain up-to-date medical records and store copies securely with this checklist. Ensure your pet always has proper identification.

- Proof of vaccinations and a copy of the pet's medical history
- Collar with ID tags including your name, phone number and address
- Recent photo of your pet
- Pet health insurance customer and policy information
- Up-to-date microchip information (e.g. number, name, and number of the microchip company)

STEP 2: ESSENTIALS

Keep a supply of essential items ready to go in case of evacuations

- Toys
- Food and water for at least three days stored in airtight containers
- Portable food and water dishes
- Leash, harness or carrier for safe transport
- Evacuation plan for you and your pet
- Poop disposal bags, kitty litter, and travel-size litter box
- A supply of flea, tick, and heartworm preventatives

STEP 3: PET FIRST AID KIT THAT INCLUDES:

- Small flashlight
- Exam gloves
- Gauze pads
- Sterile rinse solution
- Antibiotic ointment
- Blunt tip scissors
- Thermometer and lubricating jelly
- Emergency thermal blanket
